---

Well, this year we stayed dry! Yeah, I know! But we did all get a bit of wind burn. It hovered at about 18°C throughout the day... it was just the blasted wind that was a bit of a blight.

The "walk forward" method remains in place and will do so for the foreseeable future and I think we can all agree that it goes a whole lot easier because of it.

As per usual, I send out my thanks to all of the archers (and spectators) who attended, to Denise for getting the ground booked and all the other stuff she does, and to Aim4Sport for being our sponsor.

And, of course, a huge thank you goes to Tracey, Richard and Gary for judging the shoot once again. As I've said before: we're all a bit bonkers here at Green Dragon... so it's a match made in heaven! We adore you guys. We hope that they will all grace us with their glorious presence for our "500" shoot in November.

A massive thanks to the field party for doing such an excellent job of setting up (and taking down) the field over the weekend. It is always hard going, but a job most definitely well done by all of you. I think that my back and thighs have just about recovered!

And, finally, to the many, many others - (I can't mention you all by name) - Arrangers, Raffle Organisers, Ticket Sellers, Score Board Assistants, Movers and Luggers of heavy/awkward kit, Car and Van Drivers, Problem Solvers, Refreshment Suppliers, Catering Crew and to ANYONE and EVERYONE else who played their part....

THANK YOU!!!

Hope to see you in November (*Sunday 12th - provisionally*) for our Ron Young Memorial "500" Portsmouth shoot - it will (*most likely*) be held at Nobel School, Stevenage once again - but further details will be available nearer the time.

If we don't see you in November, hopefully we'll see you in May 2018 for the next Windsor.

In the meantime..... Happy shooting!

- Jo Sheppard
